

Rural Builder 2022 SOURCE BOOK

DO YOU HAVE A SPECIAL BUILDING PROJECT TO SHARE? SHOW READERS WHAT YOU CAN DO!

We are now on the hunt for special building projects to be considered for inclusion in our annual Source Book.
PROJECT DEADLINE: May 15, 2022

The **Source Book** is a special issue of *Rural Builder* that examines building projects from an architectural viewpoint, highlighting the colors, angles, materials and other design possibilities. The publication is sent to more than 31,000 *Rural Builder* subscribers, as well as members of the architectural community.

Source Book 14 will take into consideration: new construction and retrofits that can serve as inspiration for rural builders.

What we are looking for from you is your best project, one that has not already been featured in an industry trade magazine. If your project is chosen, you can show prospective customers your accomplishment!

Feel free to contact me with any questions.

Thank you in advance!
